as of six months post-graduation

Data Disclaimer: The above data were collected from TOS Gold Standard Institutions' Spring 2015 undergraduate students who reported income data as of six months post-graduation. Student academic majors were categorized by the IPEDS CIP classification codes. CIP categories with 20 or more student respondents are displayed. The following CIP categories were excluded due to low counts: Ethnic, Cultural, and Group Studies; Personal & Culinary Services; Legal Professions; Library Science; Theology and Religious Vocations; Construction Trades; and Precision Production Trades. To protect respondent confidentiality, income medians have been rounded to the nearest \$500 interval.
